CLARA MRS EYNSFORD-HILL

"I tell you, it's easy to clean up here. Hot and cold water on tap, just as much as you like, there is. Woolly towels, there is; and a towel horse so hot, it burns your fingers. Soft brushes to scrub yourself, and a wooden bowl of soap smelling like primroses. Now I know why ladies is so clean. Washings a treat from for them. Wish they could see what it is for the like of me!"
