

## **Keeping The Semi-Circle Safe:**

*A guide for audience members*

*and*

*those attending 'calls', e.g. workshops, auditions, rehearsals, performances*

We all want to ensure that taking part in Semi-Circle events - whether as a member of the audience or a participant in an event - is an enjoyable and safe experience. With that in mind, we ask that you read and follow basic Covid-19 guidelines.

### **For audience members:**

- If you are feeling unwell prior to a performance, please do not attend. If you give us enough notice we may be able to refund the price of your ticket.
- Upon arrival please be prepared to share your Covid certificate or a certificate of EITHER a negative PCR test taken within 72 hours OR a negative Rapid Antigen test taken within 48 hours. *(Children under 12 do not need to have a certificate.)*
- If you buy tickets at the door, we will ask for your contact details, otherwise we will use the details from when you registered for the event via our website.
- Please wear a mask when watching the performance and use the hand sanitisers on a regular basis.

### **For those taking part in 'calls' *(applies to every visit):***

- If you are feeling unwell prior to a call, please do not attend. Please inform the event leader or Production Team.
- Upon arrival please be prepared to share your Covid certificate or a certificate of EITHER a negative PCR test taken within 72 hours OR a negative Rapid Antigen test taken within 48 hours.
- Please wear a mask unless performing and use the hand sanitisers on a regular basis. If you have a medical reason for not being able to wear a mask, please inform the production team.
- The production team will limit the number of people invited to a call to only those needed to help ensure capacity at the venue is kept to a minimum.

Thank you for your continued support and cooperation.
