

## Signing up for the Summer 2022 Auditions

We're delighted that you'd like to audition for one (or both!) of our summer productions. Here's a reminder of what you need to know:

### Performance dates:

*"She Kills Monsters"*: June 9-11 and 16-18

*"Vanya and Sonia and Masha and Spike"*: August 19-20 and 26-27

### Rehearsals:

To be agreed with the directors, but we suggest you allow for several hours a week over a period of about 8-10 weeks running up to the performance.

### Some other points to note

The Semi-Circle Verein requires actors and directors involved in Semi-Circle productions to be members of the Semi-Circle for insurance purposes, so we will ask you to [sign up](#) (you'll see that there is a special rate for students....as well as great member benefits for everyone!).

We will be using photos taken at rehearsals and performances for promotional purposes.

We are serious about keeping everyone healthy and require everyone involved to have a Covid certificate and to follow the latest Covid regulations. Please make sure you bring your Certificate and ID, and a mask to all events. If you are feeling unwell – please don't turn up, just let us know that you can't attend.
